Program Objectives

The CVS Health Specialty Pharmacy Residency Program provides a unique opportunity to work with a premier specialty pharmacy provider, while increasing knowledge of specialty pharmacy and managed care practices. The resident will interact with a multitude of internal areas, including specialty innovation, clinical development, performance management and training, pharmacy operations, analytics and outcomes and clinic-based work.

AT THE CONCLUSION, THE RESIDENT WILL BE ABLE TO

- Understand specialty pharmacy’s role in managing the needs of patients with complex, rare or genetic disorders that require treatment with specialty medications
- Develop, implement and manage specialty clinical programs that optimize clinical outcomes
- Identify, develop and implement pharmacy process improvement and training programs
- Proactively analyze data to identify opportunities for additional pharmacy management services
- Design outcomes analyses that demonstrate the value of specialty pharmacy
- Interact directly with clients, consultants and internal sources and make recommendations that help manage and improve clients’ health care costs
- Understand specialty pharmacy operations, including pharmacy care management and dispensing processes
- Organize and precept final-year student pharmacists completing Advanced Pharmacy Practice Experiences

CANDIDATE REQUIREMENTS

- Focused interest in academia and specialty pharmacy
- Creative and innovative mindset
- Excellent communication and presentation skills
- Knowledge of Microsoft Office Suite®
- Strong analytical skills, ability to evaluate large data sets
- PharmD candidate from a U.S. accredited program
- Maine licensure (or eligible)
- Desire to learn and commit to a one-year structured training program
- Travel for client meetings, training programs and professional meetings and conferences

RESIDENCY DURATION

July 1, 2021 to June 30, 2022
